

## PROJECT FOCUS

---

### **Major peri-urban Shire Council:**

A Way Forward for water planning in the region

---

#### **Project brief:**

This peri-urban region is experiencing high population growth and is seeking opportunities for employment and preservation of the lifestyle amenity of agricultural areas adjacent to new property development.

#### **Psi Delta's role:**

Review of economic benefits  
Propose a way forward for non-potable water planning in the area  
Develop a schedule such that available opportunities for development are fully utilised

#### **Our achievements:**

Psi Delta developed a plan to foster agreement between all key stakeholders in the area, with a focus on development of water infrastructure.

#### **Psi Delta completed:**

Peer review  
Research  
Stakeholder management  
Funding applications  
Reporting

#### **Our project collaborators:**

Psi Delta has since been working with the shire to implement the proposed action plan.
